**Explanatory note**  
Europass Mobility is a standard European document, which records details of the contents and the results - in terms of skills and competences - of academic achievements - of a person (that is a person of the holder's age, educational level and occupational details) as spent in another European country (UECET/ESQ) and concise document for learning purposes.  
The Europass Mobility was established by the decision No 3241/2004/EC of the European Parliament and of the Council of 18 December 2004 on a single Community framework for the transparency of qualifications and competences (Europass).  
For more information on Europass, including on the Europass curriculum vitae and the Europass language Passport, please visit <http://europass.cedefop.europa.eu>.
